

Licensed Veterinary Technician

We are seeking an upbeat, energetic, talented individual that will provide compassionate and professional patient and client care in our hospital. This person will be a true team member and work closely with the practice manager, doctors, and staff to deliver the highest level of quality medicine and client services possible. Ability to maintain a positive and service driven culture is imperative. We offer competitive wages, a challenging and unique work environment, an exceptional benefits package, and the opportunity for a long-term career.

Skills and qualifications:

- **Must have a passion for providing outstanding customer service and creating a consistently positive atmosphere.**
- **High Energy**
- **Demonstrated excellence in customer service, communication, and listening skills.**
- **Compassion for pets and people.**
- **Proven decision-making skills to choose the most appropriate course of action.**
- **Proficient in computer use, prefer a working knowledge of Microsoft Office. Experience with Idexx Cornerstone software a bonus!**
- **Prefer a candidate willing to work some Saturdays.**
- **The ability to lift and carry up to 40lbs.**
- **Education, knowledge, and experience in all aspects of pet wellness, preventative care, emergency and nursing care.**
- **Demonstrated knowledge of anesthesia monitoring, surgical assistance, and accurate medical calculations.**

Duties and Responsibilities: This position plays a key role in our hospital's success and image and will work hand-in-hand with the veterinarians, technicians, and assistants.

- **Customer Service**
- **Patient receiving and evaluation**
- **Nursing care**
- **Client education**
- **Sample/data collection and performing tests (laboratory, radiology, cardiology)**
- **Surgical prep and assistance**
- **Anesthesia administration and monitoring**
- **Telephone contact to follow-up on questions, treatments, and visits**
- **Presenting and explaining treatment plans and associated fees, including processing payments**
- **Managing medical records, reports and correspondence**
- **Hospital cleanliness/appearance**
- **Assisting veterinarian as directed or needed.**
